## From The Editor

First, a note of apology again. This is the January issue but it doesn't look like it will make the mail until February. My schedule has been so full lately that it has just been impossible for me to find the time to work on this. I was in Dallas for a week this month and will be in India from February 19th to March 6. I just finished another book project and it should be in the book stores by April at the latest I am told. Plus, I'm going to be a grandfather again. My health insurance company has assigned me a physical therapist for my diabetes who calls me regularly nagging me about my lack of exercise. She asked how she could help me exercise more and I told her to add more hours to the day. She didn't think it was funny.

Welcome to the final issue of our ninth year of publication. Yes, the April issue will be the first issue of our tenth year. In some ways it doesn't seem like it's possible that it was only nine years ago that Mary and I started this. I remember sending out the first issue to a few of my relatives with the note that if we didn't get ten people interested enough in it to help defray the cost it would be the only issue. We got exactly ten people to subscribe.

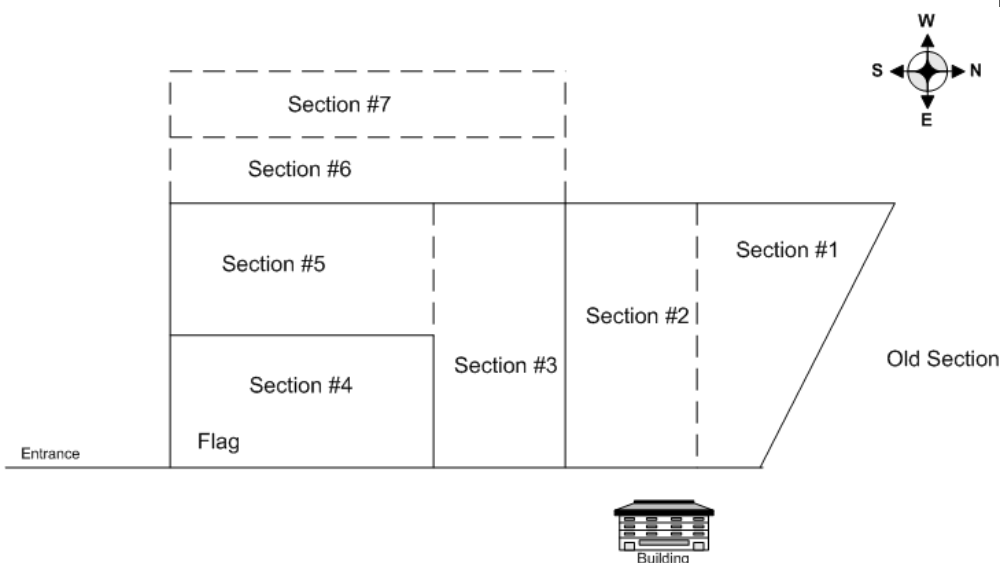

It has never been about the money. During the past nine years Mary and I have attended one family reunion and hosted another

## The Summitt Family Quarterly Cardwell Cemetery Project

As many of you who have been receiving the Quarterly over the past year or so know one of my pet projects is a Web representation of the Cardwell Cemetery. The Web representation is located at <http://www.summittfamilyquarterly.org/CardwellCemetery/Cemetery1.php>. Over the past two issues I have begun publishing the information I have starting with Section #4. I have now entered over five hundred gravesites from Section #4. As noted previously, some of the information used in this project comes from the document *Cardwell: Then and Now; 1894-1994* published by the Cardwell Cotton Festival Committee, 1994. You can find a few excerpts from this document starting on page 2. Also, if you are interested in supporting the Cardwell Cemetery or the Cockrum

in Cardwell, Missouri and I have attended one reunion in North Carolina. I wish I could have attended more. We started out with the plan to hold reunions in the locations where Summitt(t)s settled and we started with Johan Franz in North Carolina but then something happened and we didn't follow through with Christian in Indiana for some reason. I guess I'm guilty of not following through on it like I should have.

In any event, during the past nine years I have had the opportunity to correspond with many of my close and distant relatives, with whom some of which I feel like I have developed a deep and lasting friendship. Of course there are those who consider my occasional emails spam, and those who get angry when their name is mentioned in the newsletter or on the Web site. And then there are those two individuals, one an extremely distant relative who thinks that I spend too much of the newsletter discussing my immediate family, and the other a much closer relative who thinks that I spend too

**Subject:** Re: Mrs. Williford  
**Date:** Mon, 19 Jan 2004 10:02:49 -0600  
**From:** G. G. Summitt <jacktex@airmail.net>  
**To:** Paul Moody Summitt <psummitt@summittnewmedia.com>

Mrs. LaRue Summitt Williford has left Houston and is now in a nursing home in New Braunfels, Texas. She is 96 and bed ridden.

As you know we all owe her a debt of gratitude for being the first to make the connection to Johannes Frantz Sammet. With this connection she was able to apply to the DAR and was accepted. My Daughter, Lea Ann Summitt, has tied on to Mrs. Williford's number and is a member of the DAR in Waco, Texas.

Her address now is: Mrs LaRue Williford  
2590 Route 337 North  
New Braunfels, Texas 78130

Best wishes,  
Granville G. (Jack) Summitt

These four men also had several sisters but Ron was unable to provide explicit data during our brief conversation. What he did provide was that one sister was Louisa. Ron says he has the entire collection of Mathias Miller Throneburg family, A.Miles and his will, Marcus Augustus and Jonathan's families and I hope to talk him into providing this data for a future issue of the newsletter.

It has been a wonderful ten years publishing and editing this newsletter but I feel that someone else needs to take the helm starting with the April 2005 issue. As a

result we are accepting no new subscriptions and are accepting no payments from current subscribers to extend their subscriptions. All current subscriptions will be extended through the January 2005 issue at no charge. If anyone thinks that their current subscription extends past the January 2005 issue please let me know and we will work out an agreeable reimbursement should no new editor/publisher be found.

I plan on continuing my research into the James Lee Summitt line as well as the Frie, Love, and Spotswood lines and hope to contribute to this quarterly in the future. I also plan to continue working with the SFQ Web site as well as the Cardwell Cemetery project.

So, we are looking for someone interested in taking on this quarterly starting with the April 2005 issue. We will assist in training the new editor/publisher and help with software and hardware selection. Anyone with a home computer, Microsoft Publisher, and Family Tree Maker can be the publisher. I look forward to working with any new editor.

So, those interested, contact me via email at psummitt@summittnewmedia.com or by phone at 573-268-7209.
